Principal's Address

To the Class of 1992:

On behalf of the entire Fairhaven High School staff I congratulate you for navigating proudly and successfully through this final stage of your public school education.

You entered high school as children and emerge now as young adults poised to test your skills and resourcefulness in pursuit of your chosen dreams.

I wish for all of you a life rich in health, friends, and personal fulfillment.

Sincerely,

Dr. John Newburn

A Fond Farewell to . . .

Miss Alma J. Campbell

Miss Alma Jean Campbell, a dedicated teacher, will be leaving Fairhaven High this year. Miss Campbell graduated from the University of Minnesota where she majored in Social Studies and minored in Physical Education. She came to F.H.S. as a Physical Education teacher in 1960.

Miss Campbell has taught a variety of subjects such as English, Science, Math, and Health. She has coached girl's volleyball, softball, cheering, and girl's basketball. In 1967, under the direction of Miss Campbell, the girl's basketball team succeeded in attaining a 10-0 record, making them the Bristol County Champions.

Upon her retirement, Miss Campbell hopes to do some traveling. She will forever remain in our fond memories of F.H.S. not only as a teacher, but also as a friend. Thank you, Miss Campbell, for sharing with us your knowledge and being the best teacher you could be.

Mr. Wayne Wilson

Fairhaven High will not only lose a great senior class this year, but it will also feel the loss of our Athletic Director, Mr. Wayne Wilson.

Mr. Wilson has been an asset to F.H.S. for the past thirty years. With a degree in Physical Education from Springfield College, Mr. Wilson came to our school as assistant basketball coach. He eventually moved up the ladder and coached the Varsity team to the South Sectional Division II Champions and the State Finals. Mr. Wilson was obviously recognized for his accomplishments by being made Athletic Director eleven years ago. His most recent accomplishment was playing a major role in the installment of our new stadium lights.

We, the class of 1992, thank you Mr. Wilson, for making F.H.S. athletics what it is today. You have truly been one of the greatest coaches this school has ever seen.

THE DAY WILL COME TO PASS
WHEN WE, IN OUR FINAL STAGES,
MUST BID FAREWELL TO ONE ANOTHER.
AND ALTHOUGH THAT DAY HAS NOT ARRIVED
I CAN, EVEN NOW, FEEL THE SORROW.
CAN YOU FEEL IT?
I ASK MYSELF,
"DO YOU THINK THAT DAY OF HAPPINESS
IS ALL IT'S MEANT TO BE?"
TAKE IT IN HAND,
LOOK AT IT FOR ONE FLEETING MOMENT.
SEE THE SADNESS?
I DON'T.
THEN I THINK ABOUT IT FOR A SPLIT SECOND
AND REALIZE SOMETHING:
THE PERSON WHO SITS WITH YOU EVERY DAY,
LISTENING TO ALL YOUR PROBLEMS,
AND PUTTING UP WITH YOUR WEIRD SENSE OF HUMOR
WITH A WARM SMILE
ISN'T GOING TO BE THERE ANYMORE.
SAD ISN'T IT?
THAT'S WHEN THE SORROW STARTS,
KNOWING THAT A PART OF YOUR LIFE
CAN DISAPPEAR ALMOST INSTANTLY.
I LOOK AHEAD A FEW YEARS
AND WONDER IF YOU ACTUALLY MADE IT,
IF YOU REALLY BECAME WHAT YOU WANTED.
BUT THEN I GO BACK TO THAT DAY
WHEN THE GLITTER OF HOPE
SHINED IN OUR EYES,
AND THE OPEN DOORS TO THE MYSTERIES OF LIFE
WERE ONLY A BREATH AWAY.
ALL THE HAPPINESS WAS THERE.
WE STOOD TOGETHER AMIDST THE CHEERS
LIKE TWO IDLE SHIPS
EMBRACING THEMSELVES BEFORE THE MAELSTROM.
I LOOKED AT YOU,
AND YOU TO ME,
BOTH OF US SAYING GOOD-BYE.
IN THE CORNER OF YOUR EYE
I COULD SEE
A TEAR SLOWLY BUILDING ITS STRENGTH.
THAT'S WHEN I KNEW IN MY HEART,
AS IT FELL APART,
WE WOULD BE SEEING EACH OTHER
FOR THE LAST TIME.

— SHAWN FERNANDES — 12/3/91

Dedication

It took us a while to decide on a dedication for our yearbook. We knew it would have to represent the Class of 1992 and summarize our past four years here. Then it came to us: Knowledge. We are not speaking of knowledge just in the academic sense, but also the knowledge we have attained about ourselves, each other, and what our impact will be on the world. We felt that Fairhaven High School's Class of 1992 possesses the knowledge to go out into the world, be successful, and make a difference.

O Knowledge, as a child I stood before you with the ways of a child. I was enchanted by your illusive radiance. Instintively I reached out to grasp you, for it seems that even then I realized that only through you could full awareness and enlightenment be attained. Now, O Knowledge, I am a senior. Long have I sought you, much have I learned, and yet I am aware that I have only just begun. I stand respectfully before you realizing that the quest for you is never-ending, the road to you, infinitely long. Yet the rewards are great along the way, for you, O Knowledge, are hope, you are understanding, you are the means to peace and love among mankind!

Foreign

Exchange

One of two additions to our Senior Class was Mathieu Paley of Rouen, France. Matt, as he has been known to his friends, stayed with the Leftkowicz family.

Aside from his school life, Matt enjoys snowboarding and windsurfing. His ambition in life is to be the president of France. His fondest memory of America is his host family and the friends that he made. When asked about his experience in America, Matt said that it was a "very diverse country," and that "Americans are too proud of themselves." What he missed most about France was going to the Disco, and French women.

The other addition to our Senior Class was Eliana Paulino of Santo Domingo, The Dominican Republic. Elianna stayed with the Barcellos Family in Dartmouth. Her out of school interests include going out on weekends and spending time with friends. Her ambition is to go to college, probably in the United States. Some of her fondest memories of the United States are tourist areas and Fairhaven High School's chocolate chip muffins. The things that Eliana missed most about The Dominican Republic were her friends, going out on weekends, partying, and her family of course.

Fairhaven High School's final addition to its Class of 1992 is Heidi Marianne Jurek of Copenhagen, Denmark. While living in America, Heidi lived with the BayJensen family. When she leaves America, Heidi will have fond memories of all her new experiences and more importantly, her friends. She does, however, have much to look forward to when she heads for home, like her family, her friends, and everything about the country she loves. She does hope to bring at least one thing home with her from America, chocolate chip muffins!!!

JUNIOR PROM QUEEN 1991

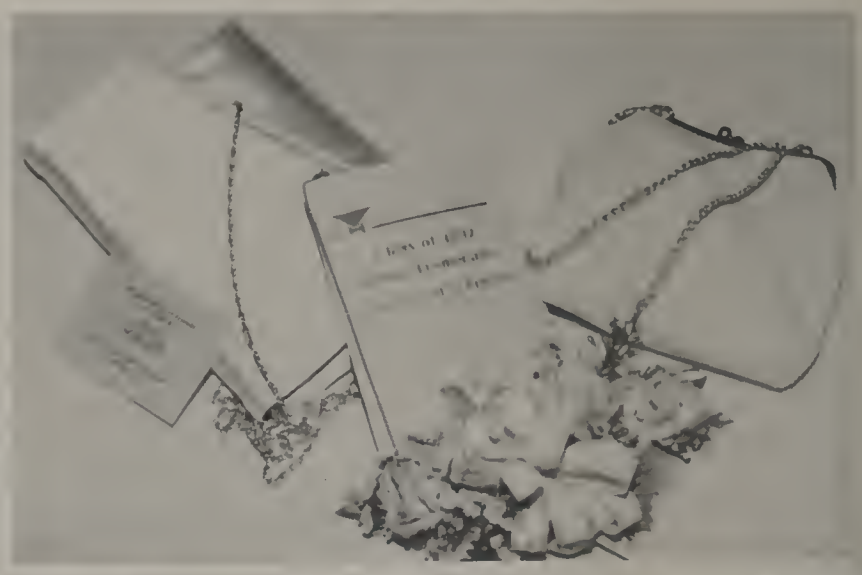

"You've Got A Friend . . ."

On Friday evening, May 3, 1991, we, the class of 1992, held our Junior Promenade. The main Ballroom at the Seaport Inn along with music provided by Jay Mello and our theme song "You've Got A Friend" by James Taylor created the perfect setting for an unforgettable evening.

The Mistress of Ceremonies, Amy Dias, gracefully introduced the King and Queen's court. Members of the court were: Danielle Brunelle; Jodie Childs; Kelly Desroches; Danielle Doucette; Jessica Duval; Lauri Gordon; Lynn Rose, and Leigh Wilson for the girls. The guys were: Chad Bettencourt; Eric Cardinal; Luke Cebula; David Crabbe; Scott Francis; Donnie Joseph; Brian Knutsen; and Mark Sylvia.

Next, Amy announced the Prince and Princess, Scott Francis and Laurie Gordon.

Finally, the suspense was broken when Mark Sylvia was crowned King and stunned Jessica Duval was crowned Queen.

Junior Day

May 31, 1991

On Friday, May 31, 1991, we the class of 1992 finally became Seniors! The traditional Junior Day Ceremony began as Chris Karvonen, president of the class of 1991, passed the symbolic black mantle of leadership to our president, Mark Sylvia.

Next, the awards were presented. Members of our class who received prestigious awards included: Beth Ann Gallagher; Douglas Fortunato; Noelle Jacobson; David Leong; Jessica Ellis; David Couto; Danielle Doucette; Delia Mendes; Mark Sylvia; Lisa Palhota; Jason Perreira; Michelle Bruneau; Kelly Desroches; Kelly Durrigan; Gina Jardin; Jason Rose; Elin Riggs; Steve Lawrence; and Danielle Poulin.

Senior Lounge

Thanks to the efforts of Mark Sylvia, the seniors were allowed to have a senior lounge this year. Mark started working on this project last year and with the help of Mr. Newburn his idea became a reality. This lounge is situated in the cafeteria during the first five periods of the day. One side of the cafeteria is for socializing and the other side is for either working individually or together as a group. Though this study is only a trial this year, we hope it will become permanent so future senior classes can benefit from it.

Class History

We, the Class of 1992, entered the hallowed halls of Fairhaven High School with much fear, hope, and excitement. The school system had chosen us as the "experimental class." We were the first group to begin Middle School as sixth graders and we were to be the guinea pigs for a series of new programs. Therefore, we did not know what to expect at Fairhaven High.

Our first major decision as freshmen came to us in electing class officers. Mark Sylvia, otherwise known as "Mr. Politician", was elected President, Danielle Brunelle as Vice-President, Leigh Fortier as Secretary, and Craig D'Aguiar as Treasurer. These individuals led us to the building of our first float. The year passed quickly and we felt great relief that we would no longer be the youngest class.

We returned to school in Fall of our sophomore year as a much more confident group. Mark Sylvia led us again, but was joined by three new officers: Leigh Sylvia, Margo Almeida, and Nicole Dennehey. Late in the year we realized how fast time had passed when we received our class rings. We were well on our way to finally becoming upperclassmen.

Junior year was probably the most productive for the class of '92. We

Class History

were feeling the confidence and satisfaction of being upperclassmen. No one could suppress our spirits. A true leader was seen in Mark Sylvia whose popularity as Class President was overwhelming. This year, he was assisted by Danielle Doucette, Amy Dias, and Scott Francis. We began the year off with a new class advisor, Mr. Fernandes. He helped to improve the financial state of our class with a new fund-raiser: a turkey raffle. In December, long hours of work put in by Amy Dias and Danielle Brunelle paid off when they produced the first "Gong Show" in order to raise money for the class. The funds from these events helped us hold our Junior Prom at the Seaport Inn with the theme "Forever Friends."

Now in our senior year we look back at all of our accomplishments with great pride. With Mark Sylvia in his fourth term, along with Danielle Doucette, Scott Francis, and Brian Knutsen, we expect great things to come this year, such as a Senior Trip. When May 31, 1992 arrives, we will have many mixed emotions: relief, anxiety, fear, and sadness. However, we can leave this school proud of the reputation that the Class of 1992 has established.

Spirit Week

In the third week of October, Fairhaven cheerleaders put on yet another successful Spirit Week. This was a week during which students and teachers joined together and displayed their Blue Devil spirit. The activities began with the students dressing down and continued with a Hat day, a Mix and Match Day, a Costume Day, and ended with Blue and White Day. It was a fun-filled week for everyone.

Cheerleader's Dance
November 16, 1991

The Cheerleader's Dance, a traditional semi-formal, was held at Fairhaven High in the Larch Avenue Auditorium on November 16, 1991. From the very beginning, the night was a big success. The ceremonies began with the announcement of the court: Seniors — Danielle Brunelle, Jodie Childs, Jessica Duval, and Leigh Wilson, Juniors — Andrea Cebula, Leyla Helyar, Lauri Hanrahan, and Janel Manna, Sophomores — Megan Bruce and Darlene Heberlyn, Freshman — Erica Potkay. The ushers were the following seniors: Jared Alves, Chad Bettencourt, Patrick Dolan, Scott Francis, Matt Gomes, Brian Knutsen, Arty Pione, and Matt Vaught. It was up to the football team and cheering squad to choose the young lady who best displayed school spirit and all other qualities of a Homecoming Queen. It was voted upon, and the winner was Leigh Wilson! Her lady in waiting was Leyla Helyar. The ladies and their dates then took the dance floor with their dates to the song "Wonderful Tonight" by Eric Clapton. The night proved to be full of fun and unforgettable memories.

The 1991 Blue Devils football season was by far the most successful. Fairhaven finished the season as S.C.C. champs, Division 4 champs, and 17th in Eastern Massachusetts. The Devils established an outstanding record of 11 wins and 1 loss, the best record in Fairhaven's history. The players would like to dedicate their successful season to the superb efforts of the coaching staff.

The team will never forget Camp Hell . . ., stations . . ., D-R game . . ., and the Super Bowl at Boston University.

Soccer SCC Co-Champions

The F.H.S. Soccer team completed their season with a South Coast Conference Co-Championship. They also excelled to the South Sectional Semi-Finals in the State Tournament. Team work and aggressive play was the key to their success. The most memorable game for the team was their game-turned-brawl against old Rochester! The Blue Devils ended their season with four S.C.C. All-Stars and an impressive record of 15-3-1 overall.

Volleyball

The volleyball team had a very good season in the young, but extremely competitive SCC. The lady blue devils ended the season with a winning percentage of just over .500. As the season went on, the team grew very close. The seniors will always remember: bus rides in the "moonlight", how Digga got her nickname, Whoas and Haas, G-force, Ride 'em, and "Keep it on the court please . . . five feet in!" The volleyball team will sadly miss head coach Mike Childs, who will retire this year.

Field Hockey

Despite some tough losses, the lady Blue Devils played aggressively and had many good times throughout the season. Their record of 4-12 was a reflection of a tough league, not a lack of talent. The team will always remember their 2-0 upset over Wareham . . ., putting up the tarps . . ., their "friendly" reputation in the S.C.C. . . ., and Mr. Crane's famous words, "Don't diddle with the ball!".

Cross Country

Led by two-year returning captains David Crabbe and Jessica Duval, the Blue Devil runners finished respectably with record of 11-1. For the men, it was their best season ever in the history of Fairhaven. On the womens' side, it was their most successful season since their 1989 Tri-Championship. Coach Stephen Bender's hard work really paid off this time.

The Cross Country team will always remember double sessions . . ., bug juice . . ., calf-burners . . ., Dean St. hills . . ., intervals . . ., fun-houses . . ., the statue . . ., T. Screams . . ., the cemetery . . ., Mike's . . ., and ply's.

Boys Basketball

The Fairhaven boys' basketball team had a respectable record of 9-7 in the South Coast Conference. The Blue Devils team, captained by Donnie Joseph, was one of the most competitive in the conference. Through hard work and determination the Blue Devils boys' basketball team had an exciting and successful season.

This year's boy's winter track season produced one of the best over-all records. The boys finished 5-2 in the S.C.C. With help from the coaching staff they were able to achieve their success. Good luck to the team next year! We want to see a conference title.

Girls Basketball

Although the Fairhaven girls' basketball team had a disappointing record, 2-16, they played hard and had fun. They possessed great team spirit. Their team was a young one so, hopefully, next year they'll improve their standing in the conference.

Row 1 (l-r): M. Philabaum, M. Vanderpol, S. Fernandes, H. Cass, S. Smeatin, C. Hawk, K. Galligan.
